What do you think? 2/9 And She Wants You To Pay Her Bills! Kristen Dutro wants you to pay the hundreds of thousands of dollars in legal fees she incurred while fighting for custody of her son. Kristen was diagnosed with uterine cancer in 2007, and after being released from the hospital, she discovered that while she was in the hospital her husband, Chris Dutro, had filed for

divorce. 4/9 You Could Get Three Years For This! Then again, maybe not. The first-time mom was recently acquitted of child endangerment and criminal contempt charges after throwing a plate of chicken nuggets across the room and demanding her son stay at the home of his mother, where he has been living for three years.
