Have you ever been interested to play multiple sounds/notes at the same time? Do you want to study harder and play your instrument better? Then this app is for you. This is an awesome new generator that helps you to learn your instrument faster by playing 30 different notes at the same time. First, you need to select the instrument you would like to play, say for example the guitar. You can play the notes by clicking notes 1, 2 and 3. You can play all at the same time or you can set your own rhythm, such as 4, 4, 3, 6. For the guitar, you will get the following sounds: G Major A Major E Major D Major C Major F Major Bb Major Eb Major B Major A Minor E Minor D Minor C Minor F Minor B Minor Eb Minor Bb Minor A Sharp Minor D Sharp Minor C Sharp Minor F Sharp Minor Bb Sharp Minor Eb Sharp Minor E Flat Major E Flat Minor E Flat Sharp Minor E Flat Major G Sharp Major F Sharp Major B Flat Major B Flat Minor G Flat Major F Minor G Flat Minor F Sharp Minor G Sharp Minor A Major C Major E Major D Major C Sharp Major G Sharp Major F Minor Bb Major F Major Bb Major Eb Major B Sharp

play a new random chord but also play the random chord 5 times as fast. This way you can stay fresh and practice even faster. - You can choose between following modes:

- 1. Play single chords
- 2. Play chord progressions
- 3. Play chord progressions 5 times as fast
- 4. Play chord progressions 6 times as fast

- All modes have 5 levels of complexity. - Each level has 5 different chord progressions. How to play the chord smoothly without any mistakes? You can play the chord smoothly with this application. The application plays the chord on the 5th and 6th string simultaneously to prevent stuttering. The time between the chords is set to the random intervals from 7-7.5 sec. You can set it to any intervals which you want.
