We are Japanese Godzilla movie (available free for download) Other links are listed as they come. I'm trying to get a few more out tonight. Let me know if you're looking for something in particular. That's more or less it for this dump. I've kept it really limited and basic just to make it easier for people to find things in here. It shouldn't be a hard thing to look for though. I'm linking to a copy of the file in the folder so you should be able to get the game working as a guide. I'm only providing a direct download here because I don't want to break any anti-piracy/adware/antiviruses/whatever that may be and I'm not sure it's what everybody wants or needs to do. If you think you need something else, such as the main game, main expansion, main update or main update plus add-ons to fix any bugs that might come up, then go ahead and download that. If you really like it and it works good for you, then go ahead and buy it. It's not gonna hurt you to make a purchase and I could also make the game available for download through Desura, Gamersgate, (maybe Impulse) and whatever
