for two columns I am using Vega
lightbox to show two elements
from a JSON data - one at a time. I
have tried my hard to get this
work but it is not working for two
columns. Sample code for single
element works - while Vega
lightbox js

```
$(document).ready(function() {  
  $(".bubbles a").click(function() {  
    $("#lightbox").vegaLightbox(); });  
  });
