

The Tarnished Prince, a new fantasy RPG by Cygames will be released for the Playstation Vita in Q3 2018. In the beginning, there was a legend of an old man, who lived in a high altitude. The old man had a massive beard like a horse tail and a magical sign, and was searching for the meaning of life. According to the old man’s legend, he is an “Elden Lord” in a fantasy world. The lands and races living in that world developed on their own in the thousands of years before the time the legend took place. The lands and races are divided into various factions, and it is up to you to choose a faction that suits your playing style. After that, the experience of meeting the other party members and discovering the various backstories of the people you meet will be exhilarating. In order to grow by their own interests, the players create their own characters. Their personalities and histories are branching paths and will lead to surprising situations. The game’s epic main story is told in the Lands Between, which are connected to open fields and huge dungeons. In the story, it is up to you to determine your own destiny, and listen to the advice of the various people you meet along the way. The legend continues by telling that once every nine years, a “Time Stone” appears. When that happens, the stones start shining and are a source of light for the people living in the lands. The new fantasy action RPG will be released for the PS Vita in Q3 2018. To start play, Tarnished Prince has three basic elements: 1) Wield a massive sword (For Front Row Players) The next-generation RPG to be released for the PlayStation Vita features a new turn-based battle system. The system has unprecedented depth and is easy to understand. By holding your finger on the touch screen, you can manipulate your entire action and enjoy the elegant ease of play. A sword will be thrown, or a fire will be created in front of your eyes, and the combat system will be initiated. Of course, if you are confident with the system, you can expand your action by freely selecting your attacks to deal with different enemies by changing the move and attack types of your sword and fire. By directly selecting attacks using the touch screen, even if you lack your sword and your fire is about to run out, you can

Features Key:

- A Brand New in-game World created by ICONIKA
- A Level Design that creates an open world that is, at a glance, exciting, but totally accessible to newcomers
- A Game Engine and Graphics Engine that require training to play
- To Clear the True Content of the Moonday Macintosh Style
- To Experience the Technology that makes the Moonday PC Style unfold on your Mac

Control information:

- Mouse control
- Tap the direction you wish to move on your screen
- Scroll your mouse wheel to roll, or tap "F" to engage the transformation function
- The brush functions are not available if your graphics adapter is connected to a TV
- The camera function is not available if your monitor is connected to a TV
- Move the camera and change point of view by "+" and "-"

Aesthetics and UI:

- This is an action RPG, and the aesthetics and UI are similar to those of the "Sword Art Online" series.
- English dialogs and graphics on a dark background with a brightness suitable to endure long travel
- Even in an offline state, the graphics will not drain your battery
- When you play using a local connection, the graphics will display in a high resolution

Other Function:

- Zoom function
- Opens and closes menus and appears when you move the virtual camera
- It will not drain your battery

After the pre-download/login process, it is all set!

~~~ Insanity Network News (9/8/13) ~~~ "By the way, if you haven't seen it, check out the Throne of Eldraine spoilers. Thought that was the coolest thing for us to be able to read with such length and depth." ~RM Josh (Somosfans) GAMERZIDO News Network (9/16/13) Games News Network by GamerZido (4/19/13) "Rise, Tarnished is a turn-based RPG which I highly recommend you play as I’ve never gotten tired of the story and it’s intriguing, completely unique, and features a wonderful localization. If you’re a fan of turn-based games with such elements as romance, and if you like to admire the works of artists, Rise Tarnished is a fantastic game that deserves your time." ~Arthas (2d\_nerd) Game And Story (8/7/13) "I would recommend this to anyone who likes turn-based RPGs or just RPG enthusiasts in general." ~Karin (PopHI3) ALL IN THE FAMILY (8/20/13) "Rise, Tarnished is an RPG, a unique one at that. It is not your typical turn-based RPG with clichéd characters and an unlikely plot. It's a charming time-traveling game with all the fun you'd expect from this genre, and more." ~Life Of Raela (RaelaDao) RPGamer (5/7/13) "Rise, Tarnished is actually an RPG of turn-based combat with a unique story that is both fun to play and enjoyable to see unfold. Some may find it hard to believe at first, but eventually they’ll come to realize that Rise, Tarnished is one of a kind." ~Gladstone (Glyphz) RPGSite (10/1/13) "As a fan of the genre, and as a casual player, this is a game I'd recommend highly." ~Fulltoris (VoidK) RPG In Asia (8/6/13) "I really enjoyed this game and love the characters and story. It has it's good points and also some minor flaws." ~Tio (Mogma) bff6bb2d33
