They are also launching an all new feature for Assassin's Creed: Revelations which takes DLC into a realm of anonymity and innovation. They are also offering a special edition that will sell for \$999 which will be available January 14th, 2013. That is the wonderful gift that will be given to all subscribers of our games based on Ubisoftâ€™s Uplay platform. All these business and technical decisions reveal that Ubisoft is looking to make sure that the next Assassinâ€™s Creed focuses on the fan base. The new iteration will be available in two editions; a standard version which will cost \$59.99 and the Limited Edition which will cost \$99.99. The physical, limited edition will come with two exclusive in-game items; a wealth of unused concept art and a statue of the protagonist of Assassinâ€™s Creed: Revelations in the style of the Assassinâ€™s Creed: Ezio Auditore da Firenze series. Currently, according toÂ [putspy2][tags:games][intro]in[/intro][/putspy2][gameinfo]Ubisoft's upcoming, third-person action/adventure game,Â Assassin's Creed: Revelations, has finally been given a release date. It will go on sale for the Xbox 360, Xbox One, PlayStation 3, and PlayStation 4 on October 30th, but you can pre-order it right now for \$59. Assassin's Creed: Revelations, which chronicles protagonist Ezio Auditore da Firenze's exploits during the Italian Renaissance, received a large amount of attention at E3 this year, as it will be the first Assassin's Creed game that will be playable on the Xbox 360. Now, in conjunction with its official release date, Ubisoft

has also unveiled the two exclusive Assassin's Creed: Revelations in-game editions - the Limited Edition for \$99.99, and the Gold Edition for \$149.99. Both of these editions come bundled with the game, along with the Assassin's Creed: Revelations soundtrack, an art book, and an Ezio statue. During the officialÂ Ubisoft press conference this morning, the company's marketing director, Jonathan Morin, said, "The Limited Edition is the ultimate pre-order for anyone who wants the most content in the game, and who wants it all for only \$100. For \$100, fans get two of our exclusive DLC add-ons, so whether they're an Assassin's
