Service Manual Einhell Ste 850

We note that this warranty is limited to a period of 12 months from the date of purchase or return of the purchased product. If you want to be insured against other malfunctions, the device must be returned to our service department within the above-mentioned period. You can download the 'Dispatch from our service department' form below. After returning the product (returned goods) to us, please email the completed form to: . * Only manufacturer parts are covered* Complaints must be notified in accordance with the requirements of the operating instructions. Complaints may be notified to our customer service at any time by phone using the contact number provided.* The warranty is limited to a period of 12 months from the date of purchase or return of the purchased product. The warranty is limited to a period of 12 months from the date of purchase or return of the purchased product. Warranty claims cannot be made for wear parts, consumables or missing parts. Deviations may not be covered. Warranty claims that are no longer accepted for other reasons, for example because the warranty period has expired, can be rejected in writing. As the product is not designed for trade or commercial use, we do not have the necessary facilities to reliably ascertain the correctness of the goods. The warranty is therefore only valid in the private home. We reserve the right to reduce the warranty period to a period of 12 months for public sale. In such case, the purchaser must notify the warranty claims within this period. A key for the product must be returned if the warranty expires. The product can be sent back to the address shown on the guarantee card or to our service department. 5ec8ef588b
